SCHOOL LAWS.

I.

SCHOOL MONEY.

A. *Local School Money.*

Required by
law.

The selectmen in each town shall assess annually upon the polls and ratable estate taxable therein, a sum to be computed at the rate of seven hundred and fifty dollars for every dollar of the public taxes apportioned to such town, and so for a greater or less sum.

P. S. 88:1, as
amended by
48, laws 1905.

[For the public tax apportioned to your town, see Laws of 1907, also blanks for annual report to department of public instruction. Multiply apportionment for your town by 750, and the result will be money required by law.]

Money for
text-books and
supplies, high
school tuition,
flags and other
statutory re-
quirements,—
how raised.

The school board of each district in their annual report shall state in detail the sums of money which will be required during the ensuing fiscal year for the purchase of text-books, scholars' supplies, flags and appurtenances, and for the payment of the tuition of the scholars of the district in high schools and academies in accordance with chapter 96 of the Laws of 1901, and for the payment of all other statutory obligations of the district. The selectmen of the town, in their next annual assessment, shall assess upon the taxable polls and property of the district a sum sufficient to meet the obligations above enumerated and when collected shall pay the same over to the district treasurer.

P. S. 88:2, as
changed by

School money
may be used
for what.

The sums so raised shall be appropriated to the sole purpose of maintaining public schools within the town [district] for teaching reading, writing, English grammar, arithmetic, geography, and such other branches as are adapted to the advancement of the schools, including the purchase of fuel and other supplies, the making of occasional repairs upon schoolhouses, appurtenances, and furniture, and the conveyance of scholars to and from school as provided by law. P. S. 88:3.

[Occasional repairs are those involving a small outlay, not more than five per cent. of the total school money. For repairs which amount to remodeling, special appropriations should be made. For conveyance of pupils not more than 25 per cent. of all school moneys may be used.]

Assignment to
districts.

The selectmen shall assign to each district a proportion of such money, according to the valuation of the district for the year, or in such other manner as the town, at the annual meeting, shall direct, and shall pay over the same to the school board of the district. P. S. 88:4.

[In most cases there is but one district in a town. The selectmen therefore will pay over the entire school assessment to the district treasurer to be paid out on the order of the school board.]

When a guardian and ward reside in the same town, the selectmen shall assign the tax assessed upon the ward's personal property to the school district in which the ward lives and has his home. P. S. 88:5.

Penalty for
neglect of
selectmen to
assess, etc.

If the selectmen neglect to assess, assign, or pay over the school money as aforesaid, they shall pay for each neglect a sum equal to that so neglected to be assessed, assigned, or paid over, to be recovered by action of debt, in the P. S. 88:6.

name and for the use of the district by the school board.

Penalty for illegal use or neglect to use on part of school board.

If the money so assigned and paid over to the school board of any district is not expended by them according to law, they shall be fined not exceeding twice the sum so unexpended, or not legally expended, for the use of the district.

P. S. 88:7.

[The school money must not only be legally expended, but it must be *all* legally expended in the maintenance of schools during the school year for which it was appropriated. *School money cannot lawfully be laid up.*]

The district may raise money additional to that required by law.

Any district may raise money for the support of schools in addition to the sum required by law, which shall be assessed, collected and paid over to the district as other school taxes; and all money for the support of public schools, except that provided by section 1 of this chapter, and all moneys for the building, repair or alteration of school-houses, for the improvement of school grounds, and for any other purpose connected with the administration, support, equipment and improvement of the public schools, excepting purposes already provided for by statute, shall be raised only in a lawful meeting of the district.

P. S. 89:16.

P. S. 89:25.

Any justice of the peace may, upon application of three or more voters, resident within the limits of the dissolved district, call a meeting thereof in the same manner as other school district meetings are called, at which a moderator, clerk, and agents may be chosen, and any other business transacted for the purposes mentioned in section 24 of this chapter. P. S. 89:26.
